Why Attend Making Cent\$?

Money is the second most referenced topic in all of Scripture, after the Kingdom of God. Yet many are unaware of what God has to say about financial management.

Poor spending, debt, or saving habits can quickly lead to late or missed payments, unnecessary expenditures, or even a general sense of being overwhelmed and financially strapped.

The Making Cent\$ Seminar has been helping people achieve financial freedom from God's perspective for over fifteen years. It centers on the idea of Life Stewardship:

Life Stewardship

An over-arching term used to signify a core understanding of Christianity:

That all we have:

Time... Abilities...Resources...

Relationships...Opportunities...Etc...

are gifts from God, given to us to "steward" for Him and His Kingdom according to His purposes, principles, priorities and promptings.

From this core understanding, we will explore God's Wisdom for managing the finances He has entrusted to our care in each season of life.

What to Expect

The Making Cent\$ Seminar will investigate God's revealed and time-tested vision, priorities, and values for our lives that will enable us to realign and to get "On Mission" with God, especially in the area of our finances.

Additionally, we will explore:

- The financial decision making process
- Biblical principles for:
 - Budgeting
 - Earning
 - Giving
 - Managing Debt
 - Saving
 - Purchasing
- A concrete paradigm for understanding financial investment options
- A step by step investment strategy

Each participant will receive:

- Relevant Biblical Teaching
- A Pre-Seminar Package to maximize the seminar experience
