

Speaker and Life Coach

Jason K. Pankau

➤ Jason brings a diverse background of athletics, finance, Christian studies, executive life coaching, wisdom and leadership to people and organizations with which he works. He is a sought after speaker, seminar leader, life coach, and consultant. He has served as the lead pastor in two church plants, and serves as a mentor and consultant to other church planters. While serving on the staff of Stanwich Congregational Church in Greenwich, Connecticut for six years, Jason developed the Omega Course and his life coaching ministry, which the church has commissioned him to share beyond the walls of Stanwich. Since then, Jason has created a host of supplemental seminars which combine to form the entire Omega Experience.

➤ Jason received a Masters of Divinity degree from Southern Theological Seminary, and currently is completing his Doctorate in Christian Leadership at Gordon-Conwell Theological Seminary. He received a B.A. in both Business Economics and Organizational Behavior and Management from Brown University.

➤ Jason is a co-founder and partner of E Pluribus Partners, a Greenwich, CT based think tank and consulting firm focused on helping organizations create engaging work environments. He serves as a consultant and life coach to many corporate executives and pastors, helping them lead their own lives and create engaging organizations.

➤ Jason is the co-author of, *Fired up or Burned Out - How to Reignite Your Team's Passion, Creativity, and Productivity* and a contributing author to *What Managers Say-What Employees Hear, Connecting with Your Front line - So They'll Connect with Customers.*

➤ Jason's wife, Jen, is also a graduate of Brown University with the B.A. in Psychology, and is a licensed clinical social worker. She is active in several ministries, especially those relating to children and youth. Jason and Jen have four children.

Testimonials

"Incredible life-changing and God-honoring material. Content is exactly what our church needs to fully engage spiritual formation as a body. Presentations were thorough but moved along at a good pace. Great energy and engagement for the presenters. Omega has great potential to radically improve the lives of believers and their churches through real spiritual transformation and disciple making. Keep it up! Full throttle!"

"Coming on this weekend gives not only fresh material but fresh hope for anyone wanting to see people get out of their rut. This will give new insight for how to ignite people with Passion for Christ."

"This training is quite simply a blueprint for a church to bring together the component parts of their lives into a purposeful focus, which then becomes easily coordinated with like-minded fellow church members to become a potent force for community-wide renewal."

"This conference has challenged me to master this material to use in a variety of settings to teach discipleship."

"Makes one realize that the church without mentoring misses the task of building true Christ-centered leaders."

We have developed a comprehensive blueprint for you and your group or organization to dive into the deepest levels of discipleship the way it was meant to be experienced – together.

Combining the Substance of Omega with the Strategy of Mentoring in the Soil of Connection

Organizing the Omega Experience

This two-hour seminar will equip you with everything you need to know to facilitate the Omega Experience in your own context as a facilitator or a live trainer.

Who Should Attend

This seminar is built for the people who will serve as site coordinators and/or live trainers of the Omega Experience Seminars and the Omega Course.

Site Coordinator Training

Leaders need to lead with the end in mind and there are a lot of details to coordinate when trying to bring about church-wide renewal. This seminar has been built to help you harness the wisdom of those who have gone before you in coordinating this experience and training others with excellence.

Participants will be equipped to understand the various resources that we have provided in the Site Coordinator and Trainer Handbook to aid you in coordinating the Omega Experience such as:

- The five step process
- Selecting your team using the team role portraits
- The Omega Experience planning calendar
- The flexibility of the material
- The planning checklist
- Options for organizing small groups

We also explore the various organizational resources included in the Site Coordinator and Trainer Resources section of the handbook including:

- The self-evaluation questionnaire
- Participant sign-in sheets
- Logistics checklist
- Testimonial sheets
- Advertising posters
- Live trainer application and agreement
- Trainer and course evaluation sheets

Live Trainer Training

Utilizing the Trainers Planning Guide contained within the Site Coordinator and Trainer Handbook, we examine some key aspects of training the Omega Course live including:

- The role of the live trainer
- Preparing to teach each session
- Tips for training
- Working through the material including:
 - Pacing yourself
 - Using reflective questions
 - Using video clips
 - Using the objectives chart to prepare
 - Using break point questions to prepare
 - Checking for understanding
- Daily devotionals and homework
- Feedback and evaluation
- Follow-up and extension
- Trainer qualifications and commitments

We also examine the features contained within the session outlines and trainer tips section of the handbook including:

- Outline and sample time frames
- Trainer notes and God sightings

Requirements of Live Trainers

- Attend live or complete all five seminars included in the Leading the Omega Experience Conference.
- Take the Omega Course yourself as a participant on DVD (completing the daily devotionals and homework which builds your personal growth plan)
- Personally engaging in mentoring relationships as both a mentee and mentor.
