I desire for God to constantly be renewing my heart of stone and replacing it with his heart of flesh. I desire to know His will and dreams for my life and will allow Him to remove any dreams and desire of mine that are not His very best for me and for His Kingdom. I will live as a child in God's Kingdom allowing Him to Lead and empower my live in every way every day.

SOUL

I will mourn with those who mourn and rejoice with those who rejoice. I will listen to my God empowered conscience as God guides me to discern between right and wrong and will surrender to His power to live obediently to His good, pleasing and perfect will. I will keep regular times of reflection, retreat, deep relating and journaling where I can care for my soul and grow my ability to be guided by God and relate in a way that brings Him glory.

MIND

I become a man who, submitted to the Spirit empowered mind of Christ, can discern God's truth, goals and plans for my life. I will faithfully read God's word and ponder its wisdom for my life daily. I will regularly ponder God's truth and plan each day according to a God discerned wise path. I will study and stretch my ability to think while protecting it from evil thoughts, ideas and images. As I gain more learning and knowledge about life and death good and evil I will submit to the guidance and power of God and seek His wisdom for living and obediently follow what he reveals. I will live believing that His wisdom and the abundant life are found only through applying His guidance to life.

STRENGTH

I become a man who lives in and through God's strength in every way every day: I seek out God's healthy balanced life of eating, sleeping, exercising and recreation for me. I regularly exercise, diet and observe the Sabbath. I surrender daily to be used by God for His eternal purposes and for His glory. I draw on the strength that He provides and patiently wait until He provides it! In so doing, I cooperate with God in His desire to use my life to give people a glimpse of the power of God, instead of mere human strength.
